We have an unusual kitchen format at Swingers where four restaurant brands work in an open plan kitchen.
While we have listed all known allergens below, due to the nature of our business we cannot guarantee, due to the very small risk of cross contamination between the kitchens, that food prepared on these premises is free from traces of allergenic ingredients.
For detail on the source of the gluten and the types of nut, please speak to your server.

IF YOU HAVE ANY FOOD OR DRINK ALLERGIES, PLEASE SPEAK TO A MEMBER OF THE TEAM WHO WILL BE ABLE TO HELP YOU TO ORDER.
